Environmental and Economic Crisis The Need to Build a Green Society Green Salary and the Reversal of Unemployment

*Saturday, December 20, 2008 from 19.00 to 21.00
Hilton Hotel, Terpsichore III Hall*

The goals of this meeting are to:

- Reverse unemployment through environmental occupations
- Stimulate constructive dialogue for sustainable development
- Offer global environmental e-learning courses
- Encourage the participation of every citizen in building a green society for the protection of our cultural and natural wealth.
- Launch a worldwide youth movement for the implementation of the above goals
